

VIBE FESTIVAL

Vibe Festival is an unforgettable, 100% online celebration of deaf culture and community that opens International Week of the Deaf 2020.

With free entry, join us over two huge days (19 and 20 September) and experience an incredible line up of talent from deaf and hard of hearing performing artists from Australia and around the world.

Vibe Festival is entirely in Australian Sign Language (Auslan), with English interpreting and captions.

Be part of this international celebration as Vibe Festival leaves the world in awe of Australian and international deaf culture and community.
